MAKES All the Difference.**

IT Staffing Solutions | Professional Staffing Services | Managed IT Services

# MAKE us Your Competitive Advantage.

No matter what the economic climate, competing for talent can be a daunting challenge. The strongest, most highly qualified candidates can be the toughest to win over.

Our ability to consistently deliver is how MAKE became a preferred vendor to premier employers, including a growing number of Fortune 500 companies.

## We provide:

- Access to top-tier IT consulting and other proven professionals
- High-quality, best-fit candidates—frequently in as little as 48 hours
- Measurable recruiting results across a broad spectrum of difficult to find skillsets
- Unique insights into labor market trends and strategic workforce strategies
- Unmatched industry knowledge and insight

## WORKFORCE SOLUTIONS EXPERTISE

Our leadership position within [VMS Professionals](#) and the TechServe Alliance gives us invaluable access to information, insights and events.

*MAKE Corporation, a woman-owned business certified by the [Women's Business Enterprise National Council](#), is a full-service professional recruiting firm providing the industry's best professionals on a contract, contract-to-hire and direct-hire basis.*
